Assessors' Feedback	<p>Congratulations on being awarded the ISA.</p> <p>It was a pleasure to go through your portfolio. The learning outcome among the student is evident throughout. Commendable work by the teachers in planning extensive parallel collaborative activities. Activity 3 on the monuments has excellent students' hands-on work from both the school. The comparative graph work for activity 4 is depicted well. We understand that a lot of planning and hard work has gone into the portfolio. However the documentation could have been more presentable so that it is more engaging so that it completely reflects the efforts. We would like you to continue the collaboration with the partner school and embed internationalism in your curriculum. All the best.</p>
